DOOR

Made with the finest of timber and composite materials, our doors are built to exude strength and luxury.

OFFICE

We prioritise on designing offices that cater to the staff, creating work environments that help to maximise productivity.

HOSPITALITY

We take on the interior design and furnishing of hotels, restaurants, bars, lounges etc, having in mind their functionality, ideologies and themes to ensure that the design resonates with the public.

We indulge in the collaboration of intuition, judgement, and creativity to birth innovation. We believe that this is just as important as logic, craftsmanship and attention to detail.

LOOSE FURNITURE

Our loose furniture like sofas, dining set, tables etc. produced with the best of materials sit elegantly in spaces and radiates class and style.

KITCHEN

Our kitchen designs are exclusive as they are made to fit individual style and class, having in mind the functionality of the space.

WARDROBE

We understand the functions of the closets in residential spaces. Hence, our walkin closets are customized to individual needs, style and class.

LIVINGROOM

We create living spaces that connect, delight and invite playing with the best combination of colours and furniture.

BEDROOM

Our bedrooms are exquisitely designed with the calmest of colours to provide a tranquil environment that enhances relaxation of the body and mind.

Our level of involvement in a project is top notch as we work according to our clients' needs. We enjoy the opportunity to work from concept to completion. However, we are also happy to assist with specific stages of a job. We also understand that collaboration results in better design so we work closely with our clients.
